PGA Jr. League

PGA Jr. League is the flagship youth pillar program of PGA REACH, with the goal of making the program accessible to all interested kids in the United States and around the world. As such, the program focuses on fun, recreation, good health and sportsmanship. PGA Jr. League is recreational and developmental in nature and works with PGA Sections and local youth organizations across the country to offer an alternative, social golf format. This unique approach highlights team play versus individual competition and serves as a feeder system to transition youth golfers to existing junior golf programs.
